II A 25

Dr Hall.

My Dear Sir.

I have just received the enclosed notice. Don't put me in the appearance of a protest.

As to the emigrants I have nothing very definite to answer. I have had letters from Michigan & Canada & New Port R. I. & from a few in this State.

Why does not Mr Mc Lain direct us to advertise the expedition in the public papers & invite emigrants.

The Tribune or Herald would be read by thousands of colored people while the Ar. Repr. and C. Journal are not read by twenty.

Surely an infatuation presides over our operations or all would not be dead indifference.

Yours truly
