Dr James Hall
Baltimore.

My Dear Sir

We are engaged in efforts to complete several additional files of the Colonization Herald: and it occurred to me that you doubtless had many spare copies of the duplicate numbers mailed to the "Journal", which were of no use to you and might enable us to accomplish our purpose.

Should I be correct in my supposition, please bundle them up and express them to this office. Should you need any numbers of the Herald to perfect your set, I shall be most happy to supply them to the full extent of our ability.

Yours very resp^y,
Wm Coppinger
