Dr James Hall.
Baltimore.

My Dear Sir

Thanks for your very Com=
=plimentary Jason and the kindness winced in expressing
sundry old Heralds. We particularly desire the Herald
of date prior to 1856. That for July 1853, is especially desired.
If you want numbers for the past four years only we
can and will most cheerfully supply them, upon
the receipt of the necessary information.

We have your "Journal" complete from the
beginning except the issues for September, 1849,
August, 1850, September 1850, September 1854, and
September 1855. Can you not secure these for us
and thus perfect the sets for our Society library?

The artist, Sully, has just sent us a capital
portrait of our zealous President, Mr Latrobe. It
has one effect on me - viz: to increase the wish for
that of his worthy colleague and the efficient promoter
of the enterprize in this country and in Africa - Dr
Hall. Please don't put off its execution too long.

Yours very truly & Wm Coppinger
