Dear Sir. Copy Cape Palmas Oct 3rd 1862 179

II A 25

Acting under a Resolution of the Board of Managers of Md. St. Colonization Society, I find it advisable to appoint you for the present both its Agent and Physician, with a total Salary (for attending to the duties of both offices) of Two hundred and fifty Dollars ($250) per Annum, your time of Service to commence October 1st 1862, your Salary to be paid in four drafts of Sixty two dollars and fifty cents each ($62,50/100) which you are requested to draw at the expiration of each quarter, say the first to bear date 1st January 1st 1863, and to be drawn by you on Ry. Meekle Esq Treasurer Md. St. Col. Society Baltimore Md. at Ninety days sight. Any other drafts drawn by you, will not be met, unless drawn by special authority hereafter conferred, Your duties, both as Agent and Physician, will be light for some time to come, and if the Society should again be in position to pay salaries as heretofore, I presume you will be relieved of its Agency. If Emigrants arrive out in December next, they will doubtless be supplied as usual, Please make every thing go as far as possible, and sell or exchange for fresh provisions and other needs - such articles as can be best spared for the purpose, but on no account, sell any thing on credit, I shall rent out the Society's Store, but reserve room for storing articles sent out for use of the Society's Emigrants

Very Respt. your Obt. Servant
