I do not know any way in which you could better appropriate this sum. My Nancy is the daughter of one of the first settlers, & a most estimable young woman, and excellent & successful teacher. If the boys, or young ladies are apt to go into the State of Maryland. We need good, & worthy teachers who will care for the interests of the institution.

I hope ere this you are in good health. I shall write to you soon by this mail. But have only room here, to assure you of my most sincere regard & good wishes
