Doctor James Hall.

My Dear Sir

I take the privilege of dropping to you a line by way of inquiry Concerning some Money supposed to be Comeatable by the Presbytery of West Africa, Either given or donable to an Institution of Learning in Liberia, by an Individual in Baltimore or there about. Hon. B. V. R. Payne, Rev. Mr Blyden & other Members of the Presbytery of W. A. advised me to make this inquiry of you, Supposing that you would be most likely to know Something About it,

The Members of the Presbytery have furnished me with documents which will give ample Satisfaction as to the valid reason, the said Presbytery has for attempting to negotiate for the said donation if it has been made, For the purpose of Erecting and endowing a female Seminary in Liberia. This is an institution, doubtless you are aware is much needed, and the Presbytery has already made a Commencement by the Agency of Mr. Blyden to Collect Money for the above, Now Sir if you know of means donable to this Institution please have the kindness to give me some advice in the Matter: Address 24 North Second St. Reading Pa. And you will receive the many thanks of Yours Most Respectfully

Thos H. Jones

P.S. Sir if you know of any thing else that would be of interest to me while I am in this Country or after I shall return to Liberia which will not be until in the Coming Spring I should be glad to receive thankful to receive information
