Dr James Hall

65 Second St. Baltimore.

Dear Sir

In reply to your note of yesterday's date, at hand this morning, I beg to state that the report of the Philad^a Committee on the management of the "Golconda", has not been presented to our Executive Committee:- as a meeting has not been held since its receipt.

Next Friday evening, 7th inst, is the stated time for the meeting of the Committee - when the report will doubtless be considered. I judge the paper will be referred to you with power to act - for you know more about such matters than all the rest of us.

Dr McLain is gaining strength slowly but is not able to come to the office.

Very respectfully Yours,

Wm Coppinger
