Col. Room,
Wash^n. D. C. 8 Aug. 1868

My Dear Sir

Last night our Ex. Committee had before them the action of the Pa. Col. Soc., touching the Captain & general management of the Ship. They referred the matter to you & the two Secretaries — Suggesting only that you should be on the look out for the Captain we want, so that if he can be found you can make the change when the Ship comes home. The Secretaries suggest that the capacity of the Water closets be increased, so as to satisfy all demands —

It does not seem to me necessary that we should take any decided action at present — as we cannot tell yet what funds we shall have to work with, for another voyage.

Yours most truly
W. McLain
