My Dear Sir

I think we could use the value of the Ship "Golconda" in her to more advantage than we could in another vessel. Therefore could we borrow say $15.000 on her as security, at 6 months. Of course we could only give a Second mortgage, as the Md. Soc. holds the first for $10.408.21 — Do you think we had better thus raise the money to send her again — I do so believe any body in Balt. would lend it to us.

Yours N. McLain
