My Dear Sir

Yours of the 27th is received with its inclosures. I observe you charge us with "$453.75 interest on Stevens fund." But I do not see that you charge yourself with that amount received for us from that fund, which it occurs to me you ought to do.

In the statement of bills, notes & interest you say Nov. ember $855.50 int. 11.68 = 878.18 — but it does not so add up. I calculate thus $855.50 int 4 mos 17.12 & 3 days 43¢ add these 17.12 / 43 / 873.05 which is just 13 cents less than the amount they made the note. I always thought they were sharpers! —

I observe you loaned Mr. Gurley $25.00 & he paid you $30.00 — the extra 5.00 was I reckon for something else! but what as it must appear in our accounts — No more today but am yours truly
