for the Same $3.020.85 — Suppose
we provision her for crewsday 200 mgts.
at a cost of $6.000 — with incidental
expenses for stevedore water &c. of $1.8
& it makes $13.800.00 — I am have
$15.000. Wherewithal are we to provision
the emgts. for six months. To send
with less than 200 would be worse than
not to send her at all. That seems
the matter to my mind.

This whole question will come
before the Ex. Com. at their next
meeting the 4th prox.

The 10th inst. I sent you
a letter from the Rev. S. Gracy, with
a request that you would return it
after you had read it — Please
send it forward —

I am glad that you have got some
newspaper & sorry that it's no better — &
that you are obliged to use such mean
envelopes!

Yours

W. McLain
