Dear Sir

Yours of 21st to hand enclosing check for 65$. I now return the check as the friends of Mrs Christian are very anxious for her to return. She is one of the Colony that left here in 1864 and if you can give me any information as to the best method of having her hunted up I will take it as a great kindness – When the funds were first sent you there was so little time before the sailing of the vessel I could take no time to make enquiries. She is the wife of a former slave of mine and while unknown to me I am sending the money on his account he having died in Sierra Leone Africa – I think that is the name of the place the poor left for –
Any information given will be thankfully accepted on

Yours Truly
Camillus Christian
