Dr James Hall 65 Second St Baltimore

Dear Sir yours of the 19 inst rec'd I thought that the receipt that I sent you was right as the check was signed G W S Hall I also send you acct of Disbursements I left one with you see before I left Baltimore the reason why Mr Dennis carried two boats down the coast he thought it would be less Expense than to Boat at Basso you know the Bar is bad there and we had a good many passengers to land there, and a very large lot of Baggage when it was smooth enough to land we wanted all the boats we had. I thought Mr Dennis was always very economical it was hard to get Brenner down the coast he said that was the reason why he carried them from Monrovia I supposed he was doing for the best. I am very sorry that I have said any thing that displeases you for I dont want to lose your friendship I hope the acct and receipt will suit if it does not I will send you another I think that you cant find much fault with the acct.

I remain yours Obt Servt
