myself to go to Liberia in. Being most agreeably surprised, I wrote for Mrs S & she joined me on the 29th. Dr Seys accompanying his Mother. —

Messrs Gatz & Porterfield have most kindly erected an entirely new State Room — large airy — lightsome & every thing is new about it. The Brig's cabin is flush with the main deck — splendid promenade on the Poop Deck — is a very fast sailer having made the voyage out in 30 days last April & May and returned in 32.

Please accept my grateful thanks for the Will to aid me about our provisions. Not having succeeded in getting passage from Baltimore, I made other arrangements.

Shall we ever meet more on Earth? Very improbable! I may fall in Africa — you may die before I return. — Let us meet in Heaven !!!

Mrs Seys joins me most kindly in this our last word of Farewell — & I am

Yours very sincerely

John Seys
