his share of $450. & Dr. Laing his share of $450. from the entry "To Robarts & Laing notes credited to voyage Dr. $450.00" especially as no credits of the kind appear in voy. D.—

In ap. with the A. C. S. is a credit thus "1868 May — By cash of Says & Gilchrist & Smith P.K. 79.18 = 150.18" We are unable to tell for what they paid this money — or what we are to do with it — as we do not find the amount intered in any of the accounts with the ship.

Ap. V. D. page 1. Under heading of "Miscellaneous" — eight lines of entries are not added up & carried out — On page 2. "Sundry Charges inward", twelve lines are not added up & carried out — The ap. of V.C. shows that Jon loaned Mr. Seely $75. & that he paid Jon $30. Mat books query.

We shall not enter in our books this year any thing of the Liverpool voyage — So Jon can make Jon report to the Board in the form most convenient to Jon.

Yours truly
Gin. Sec. [illegible]
