have contained within itself a full explanation of itself simply by your adding three words to any one of three different entries. But no matter. We understand it — and let "Posterity" look out for itself. Item 6th I am glad to receive in your evening letter the detection of that One dollar error in the uncarried out entry of the eight lines. Item 7 — I thank you for referring us to so good & safe an authority on Book-Keeping as Colt. And we shall be glad, as we do not own a copy, if you will "lend us the loan" of yours. We will do our prettiest to have the "lacking additions" but we will "make no figure on it" so as to require recopying! In haste

Yours truly
