Dr James Hall
Baltimore.

Dear Sir

President Roberts called this morning and received the letter to his address which you left in my care on the 24th inst.

Mr Roberts stated to me in regard to payment of the balance of his note, enclosed in your favor of the 22nd inst, that it was not now convenient for him to do so, and he hoped we would bear with him for four or five weeks longer.

In sending the Ship accounts, which it would oblige us to have "on or before" the 1st proximo, I would thank you to give us the names of the steerage passengers to Bali: by Voy. of the Golconda.

Very truly yours, Wm Coppinger
