Dr James Hall
Baltimore.

My Dear Sir

Yours of the 6th inst with enclosures as stated came to hand this morning.

I enclosed in my letter of May 19. 1868, to Mr George Hall, the original vouchers for the Golconda's expenses at Savannah:- having previously done the same on the departure of the ship each time from Charleston.

But 451 emigrants embarked last spring instead of 600 expected and provided for:- thus causing the large amount of provisions or stores from the voyage which passed into the care of Mr Dennis.

Mr Pinney arrived in the "Thomas Pope" at New York on Wednesday: and we earnestly trust that you may be able to hear his report on the 19th inst!

Very respectfully Yours, Wm Coppinger
