Dr James Hall

Baltimore

Dear Sir

Our mutual friend, Wm. Pettit Esq informs me that his son returned safely last night, much pleased with captain, vessel and voyage. When will the Golconda start for Liberia? A colored family in Wilkesbarre Pa. desires to go. Mrs Prof. Freeman desires to go with her children. Would it not be well to defer the time of sailing to June 1st so as to give time for applications? I wish that Rev Dr Pinney could be sent among the freedmen by the Ex. Committee. I think he could do more than any one else to obtain good emigrants. With much regard

Yours truly Thomas S. Malcom
