Dear Sir

I understand you are the agent of the Golconda which will sail for Liberia some time about the middle of April next. I used to own a colored woman by name of Eliza Moore who went out to Liberia with her Husband Wyatt Moore the first trip she made from Charleston. Eliza Moore is quite anxious to return to this country and to this place you will please let me know when the vessel will sail and the price of her passage to this country please let me hear at once she has a Son here who is Anxious to have her return

Yours Truly
