Dr James Hall
No 65 Second Street Baltimore Md.

Dear Sir

I am desirous of sending to Liberia for an old woman named Fanny Wilson who went out in the Golconda from this District with her three Sons Wash, Allick, Cally, and other parties in 1868 they were all formerly the Servants of Mrs Polly Bell of Laurens District S.C. they settled at or near Carysburg. I write at the instance of Fanny Wilson Son Thomas Wilson who was left behind, and is very anxious to get his Mother back, she having sent word by some of the people who returned from Liberia that she was anxious to return, if she can be brot out by the return trip of the Golconda and you can advise me of the terms I will at once place in your hands by check an amt sufficient to pay her passage to Baltimore, and before the Ship returns another amt sufficient to bring her to Newberry S.C. I respectfully ask for

you to offer Mr Wilson the terms for my activity and response
let me hear from you at once as to what is required
Yours
