hundred dollars that gave me so much pleasure. I acknowledge it, Sir — I make haste to repair the damage by enclosing said receipt this letter!

I am sorry to hear that you have been so feverish & unsatisfactory. I think a little change of air would be good for you — & therefore advise you to come a few days with us. and in the mean time you can attend to any matters you may have near the Seat of Government. And we could talk up any little concerns that may be on hand. You can doubtless do this before the crowd come down upon you.

We have nothing new in Colⁿ matters — & nothing impending —

Yours
