this morning nor yesterday — nor lately. He had letters from Thos. Bourne a few days ago saying that Mr. Pinney had told him that the R. G. Soc. had appointed him agent to go South & get Emgts. & would pay 1/3 of his expenses! & intimating that would like to extend his trip to Europe where he knew all the leading men & could raise immense monies. — We understand from outsiders that Mr. Pinney has gone in raising money for Education in Siberia — & has put new men mostly in as Board of Controle

Yours truly
