fair price. — If a bright
could be obtained by Dennis
to justify sending her to Liverpool,
New York or Boston, & making
a little more than expenses —
it would give us time — worth
saving the bringing home people
whose friends here are so very
anxious to get them back.
We shall say to those who ap-
ply to us, we cannot engage to
bring any body home — for it

had better say the same.
I thank you for the "Cir-
culars &c" of the remade N.Y.
Col. Soc. — They have not sent us any.
I send with this two documents. Please circulate them, after you have read them — I have sent them to Mr. Latrobe —

P.S. I have been asked to an-
swer the following questions
asked with reference to the Con-
struction of a will in Richmond Va.
Is there a Md. C. S. in ex-
istence as an Incorporation?
If not, when did it cease
to exist?
Is there a President of the
Md. C. S. performing practically
the duties of that office?
If not at what precise
time did he cease to hold
office, or to perform those
legitimate functions?
Can a charitable trust
of say $5.000. or six thousand
dollars for the purpose of
endowing & creating a school
for the education of female
colored children in Liberia,
