My Dear Sir:

Yours came to hand dated 2nd. Inst., on Yesterday. I called twice at the office of your Son, Yesterday to See you or your Son Geo. but saw neither, which I regretted.

All I remember about Jane Darning, and her Children, is, I went after them and brought them to Baltimore. If I knew more it has become obliterated. and if I communicated any thing to her about what She was to get for her children, I must have gotten the information through you or Some others.

Please let me know if I can be of any service in procuring any thing for those children. If So, I will by and be at there service. They by all means ought to have what there father left them.

Yours with much respect.

J. W. Leedum.

N.B. I have inclosed Janes letter and her Daughters. She requests it to be sent to Mrs. Eliza A. V. Woods care. Palmas, Harper, care Hon. J. T. Gibson

After you read, please inclose it to them
