little if any thing
more definite than Mr.
Coppinger did on his re-
turn from the South. We
are trying to arrive at
a positive number — and
we will not fail to keep
you advised. We hope we
shall have 200. We may
have more. I fear we shall
have less. We shall want to
cut the number as exact
as possible, because we
must not spend one single
dollar that we can help.
Mr. Coppinger arrived last
night — We shall be glad to
see you.

Yours truly,

W. McSlm
