A CASE OF TIC DOLOREUX.

Mrs. J. E. Johnson, wife of Capt. Joseph Johnson, of Lynn, Mass. was severely afflicted for ten years with Tic Doloreux, violent pain in her head, and vomiting, with a burning heat in the stomach, and unable to leave her room. She could find no reliet from the advice of several physicians, nor from medicines of any kind, until after she had commenced using Dr. Evans' medicine, of 100 Chatham street, and from that time she began to amend, and feels satisfied if she continue the medicine a few days longer, will be perfectly cured. Reference can be had as to the truth of the above, by calling at Mrs. Johnson's daughter's Store, 389 Grand st. N. Y.

PARALYTIC RHEUMATISM.

A perfect cure effected by the treatment cf Dr W. Evans. Mr. John Gibson, of North Fourth street, Williamsburg, afflicted with the above complaint for three years and nine months during which time he had to use crutches. His chief symptoms were excruciating pain in all his joints, that especially in the hip, shoulder, knees and ankles; an aggravation of the pain towards night; and for she most part all times from the external heat, in obvious thickening of the fasbia and ligaments, with a complete loss of muscular power. For the benefit of those afflicted in a similar manner, Mr. Gibson conceiving it meet to say that the pains have entirely ceased, and that his joints have completely recovered their natural tone, and he feels able to resume his ordinary business.

Mrs. Anne F. Kenny, No. 113 Lowis street between Stanton and Houston sts., afflicted for ten years with the following distressing symptoms:—Acid eructation, daily spasmotic pains in the head, loss of appetite, palpitation of her heart, giddiness and dimness of sight, could not lie on her right side, disturbed rest, utter inability of engaging in any thing that demanded vigour or courage, sometimes a visionary idea of an aggravation of her disease, a whimsical aversion to particular persons and places, groundless apprehensions of personal danger and poverty, an irksemeness and weariness of life, discontented, disquietude on every slight occasion, she conceived she could neither die nor live; she wept, lamented, desponded, and thought she led a most miseroble life, never was any one so bad, with frequent menta ucinations.

Kenny had the advice of several eminent ysicians, and had recourse to numerous medicines, but could not obtain even temporary alleviation of her distressing state, till her husband persuaded her to make trial of my mode of treatment.

She is now quite relieved, and finds herself not only capable of attending to her domestic affairs, but avows that she enjoys as good health at present as she did at any period of her existence.

J Kenny, husband of the aforesaid Anne Kenny.

☞A Letter from Mr. Sheldon P. Gilbert, to Dr. Wm. Evans, proprieter of the celebrated Camomile Pills:

Dear Sir—Had tge immortal Cowper known the medical qualities of the Camomile Plant, he as well as thousand since (besides myself.) would have experienced its wonderful effects on the nervous system. The pubtic utiiity of Cowper was blighted in the bud, thro' the natural effect of his nervous debility upon the mental powers, which made it necessary for him to seek relief beneath the rural shade, but the calm retreat gave his physical nature no repose. If some one had known the secret of concentrating the medical virtues of Camomile, the discoverer would have been immortalized with poetic zeal as the benefactor of suffering man.

The above lines were prompted from the effect I have experienced from Dr. Wm. Eaans' Camomile Pills.

Yours, with esteem,
Sheldon P. Gilbert.

Durham, Green Co., N. Y.

☞Another recent test of the unrivalled virtue of Dr. Wm. Evans' Medicines.—DYSPEPSIA TEN YEARS STAMDING.—Mr. J. McKenzie, 176 Stanton street, was afflicted with the above complaint for ten years, which incapacitated him at intervals, for the period of six years, in attending to his business, restored to perfect health under the salutary treatment of Dr. Wm. Evans.

The symptoms were—A sense of distension and oppression after eating, distressing pain the pit of the stomach, nausea, impaired appetite, giddiness, palpitation of the heart, great debility and emancipation, depression, depression of spirits, disturbed rest, sometimes a billious vomiting, and pain in the right side, an extreme degree of langour and faintness; and endeavour to pursue his business causing immediate exhaustion and weariness.

Mr. McKenzie is daily attending his business, and none of the above symptoms have recurred since he used the medicine. He is now a strong and healthy man. He restored to myriads of remedies, but they were all ineffectual. He is willing to give any information to the afflicted respecting the inestimable benefit rendered to him by the use of dr. wm. evans, medicine.

☞An s. extraordinary and remarkable Cure.—Mrs Mary Dillon Williamsburg. corner of Fourth and North street, completely restored to health by the treatment of Dr. W. Evans, 100 Chatham street.

The symptoms of this distressing case were as follows: Total loss of appetite, palpitation of the tendons, with a general spasmodic affection of the muscles, difficulty of breathing giddiness, langour, lassitude, great depression of spirits, with a cure of some impending evil, a sensation of fluttering at the pit of the stomach, irregular transient pains in different parts, great emancipation, with other symptoms of extreme debility.

The above case was pronounced hopeless by three of the most eminent physicians, and the dissolution of the patient dailyawaited by her friends, which may be authenticated by the physicians who were in attendance. She has given her cherful permission to publish the above facts, and will also gladly give any information respecting the benefit she has received, to any inquiring mind.

MARY DILLON.

☞DYSPDPSIA AND HYPOCHONDRIACISM.—Interresting Case,—Mr. William Salmon, Green street, above Third, Philadelphia, afflicted for several years with the following distressing symptoms. Sickness at the stomach, headache, dizziness, palpitation of the heart, impaired appetite, sometimes acid and putrescent eructations, coldness and weakness of the extremeties, emancipation and general debility, disturbed rest, a sense of pressure and weight at the stomach after eating, night mare, great mental dependency, severe flying pains in the chest, back and sides, costiveness, a dislike of society, or conversation, involuntasy sighing and weeping, langour and lassitude upon the least exercise.

Mr. Salmon had applied to the most eminent physicians, who considered it beyond the power of medicine to restore him to health however as his affliction had reduced him to a very deplorable condition, and having been recommended by a relative of his to make trial of Dr. Wm. Evans' medicine, he with difficulty repaired to the office and procured a package, to which, he says, he is indebted for his restoration to life, health and friends. He is now enjoying all the blessings of health.

Persons desirous of further information, will be satisfied in every particular as to this astonishing cure, at Dr. Wm. Evans' Medical Office, 100 Chatham st. N. Y.

Ae had resource to medicines of almost every description, also the advice of several eminent physicians, but never found the slightest relief from any source whatsoever, until he called on Dr. Evans, of 100 Chatham street, N. Y. and procured some mediciues from him, from which he found immediate relief and subsequently a perfect cure.

☞***An Extraordinary Cure*** performed by Er. Wm. Evans, of 100 Chatham st. N. Y.—Mr. W. W. W. of 160 Eldridge street, was laboring under a disease, which was by many physicians considered incurable, and could find no relief from any source whatever, until he made application to Dr. Evans, and placed himself unber his successful course of treatment, from which he began to find immediate relief, and in a few weeTs was perfectly cured.

THE BARON VON HUTCHELER HERB PILLS.

These pills are composed of *H*erbs, which exert a specific action upon the heart, give an impulse or strength to the arterial system, the blood is quickened and equalized in its circulation thr'o the vessels, whether of the skin, the parts situated internally, or the extremities; and as all the secretion, and a quickened action of the absorbent and exhalent, or discharging vessels. Any morbid action which may have taken place is corrected, and obstructions are removed, the blood is purified, and the body resumes a healthy state.

The Pills, after much anxious toil and research, having been brought by the proprietor of the present state of perfection, supersede the use of the innumerable other medicines; and are so well adapted to the frame, that the use of them, by maintaing the body in the due performance of its functions, and preserving the vital stream in a pure and healthy state, causes it to last many years longer than it otherwise would, and the minn to become so composed and tranquil, that old age when it arrives, will appear a blessing, and not (as too many have neglected their constitutions, or had them injured by medicenes administered by ignorance) a source of misery and abhorence.

They are so compounded that by strenghtening and equalizing the action of the heart, liver, and other viscera, they expel the bad, acrid or morbid matter, which renders the blood impure; out of the circulation, thro' the excretory ducts into the passage of the bowels, so that by the brisk or slight evacuations, which may be regulated by the doses of the HERB PILLS, always remembering that while the evacuations from the bowels are kept up, the excretions from all other vessels of the boky will also be going on in the same proportion, by which means the blood invariably becomes purified.

Steady perseverence in the use of the Herb Pills will undoubtedly effect a cure even in the most acute and obstinate diseases; but in such cases the dose may be augmented, according to the the inveteracy of the disease; these Pills being so admirably adapted to the constitution that they may be taken at all times

In all cases of Hypochondriachism, Low Spirits Palpitations of the Heart, Nervous Irritability, Nervous *W*eakness, Flour Albus, Seminal Weakness, Indigestion, Loss of appetite, Flatulency, Heartburn, General Debility, Bodily Weakness, Chlorosis or Green Sickness, Flatulent or Hysterical Faintings, Hysterics, Headache, Hiccup, Sea Sickness, Night-Mare, Gout, Rheumatism, Asthma Tie Doulourence, Cramp, Spasmodic Affections, and those who are victims to that most excruciating disorder, Gout,, will find relief from their sufferings, by a course of the Herb Pills.

One of the most dangerous epochs to females is at the change of life; and it is then they require a medicine which will so invigorate their circulations, and thus strengthen their constitutions as may enable them to withstand the shock. This medicine is the Baron Von Hutcheler Herb Pills.

Those who have the care and education of females, whether the studious or the sedentary part of the community, should never be without a supply of the Herb Pills, which remove disorders in the head, invigorate the mind, strengthen the body, improve the memory, and inliven the imagination.

When the nervous system has been too largely drawn upon or overstrained, nothing is better to correct or invigorate the drooping constitution than these Pills

DIRECTIONS.

Baron Von Hutcheler Herb Pills are to be taken in the morning and night, when the Stomach is foul, or the Bowels costive, sufficient to operate twice or three times. The dose may be from three to twelve, or more, night and morning.

General Depot for the sale of the Baron Von Hutcheler Herb Pills, 100 Chatham street New York.

DYSPEPSIA, FIVE YEARS STANDING.

Mr. John Southerland, of 668 Water street had been severely afflicted with dyspepsia for five years, with the following distressing symptoms: sickness at the stomach headace, dizziness, faintness, palpitation of the heart, great distress at the pit of the stomach after eating, great fullness, acrid oructuations, coldness, and weakness of the extremities, emaciation, heartburn, disturbed rest, frightful dreams, flying pains in the chest, side, and back, costivenes, dislike for society or conversation, great lassitude upon the least exercise, and completely unable to attend to any business. He applied to many eminent physicians, but could find no relief, and despaired of ever being cured

TACK NOTICE.—Mr. Elias Shafer, of the town of Waterlo, Albany county, was above 27 years troubled with a nervous and billious affection, which for many years rendered him uuable to attend to business, and during the lest three of his illness was confined to the house. His symptoms were dizziness, pain in the head and side, palpitation of the heart, want of appetite, &c. After expending during his eonfinement, nearly three hundred dollars, without obtaining any permanent relief, he by accident noticed an advertisement of Baron Von Hutcheler Herb Pills, and was consequently induced to make a trial of them After using them a fortnight, he was able to walk out; in four months he could attend to business, and considered his disease entirely removed. The above information was given to the subscriber by Mr. Shaffer himself; there can, therefore, be no deception.
