Dr Sir

Your esteemed favor of 2d was duly rec'd here yesterday, such Vessels as the Brig you speak of, is more in demand, I think than any Size Vessel, you can name. There are 3 or 4 wants now, to Demerara & back, to Para & back, to Porto Rico & back, to St Jean & back, to Jamaica & back, all want Vessels 18 to 2000 Bbls - There is very little demand to buy any thing just now, but think there will be later, in the foreign flag, 'tis harder still to sell - There is a good demand for Vessels of medium Size here, and think there will be at fair rates - Yours truly
