Dr James Hall
Baltimore

Dear Sir

I have waited my not replying sooner to yours of 4th Mr James did not send me to the best of my belief the inscription for his husbands monument. He gave the order for the stone I believe to F.A. Tower Saratoga and it is possible she may have sent him the inscription. I would advise you to communicate with him on the subject. I have withdrawn from the African business at least for the present, my firm having been unfortunate in it, and as my partner is attending to the liquidation I have not convenient access to the books and letters. It will be found I think as I have stated in regard to that matter but when I have opportunity I will refer to Mr James letter

Yours truly
