Mr. Coppinger will say a word in the next Repy. about the "berry of Araby" the best.

I should be glad to have two bags for my own use. It improves with age! — I have been entirely out of it, for a time, & I like nothing else — as compared with it. Please direct it to 332 C St. & send by express. And if not too much trouble please send ~~ask~~ Cauty Gilpin & co. — or some other whole sale drugs — what ask for Seibeys Extract of beef by the doz. Smallest size jars — & also the next size larger. They charge here 75¢ for the smallest — & it seems enormous.

Yours truly
