"Nolens Volens" & send her with them the 1st Nov. &c. Would you feel safe in doing that? Of course nobody would insure the cargo, & what should we say to the Board in the face of all their resolutions on the subject? & suppose she should go down — with all on board! I tell you I am more down this time than at any former dark appearance — I do suppose we could get three or four hundred emigts. if we could now begin to speak positive & say yes we will certainly send you Nov. 1. — but the money, I do not feel half so confident about. We have it not — how, where can we get it?
