Mr. G. W. Hall 179 II A 28

Baltimore Md.

Dear Sir,

Some time last year I wrote you to try & secure the return from Liberia of a coloured girl who went from this section to that country — by name Jane Johnson. You replied that it was not probable that the "Golconda" would be sent out last spring but that you might arrange to get her back some other way. I replied that if you could secure her return to do so & that I had $70.00 in hands for the defraying of expenses. Hearing nothing from you or nothing from the newspapers that the Golconda owned girl I supposed that you had given the necessary orders to have the girl brought back. The matter passed out of my mind entirely until the other day when the person who wishes her return came to see me on the subject. Please let me know if you did anything in the matter or not, if you can do anything or when.

Yours truly

Wm. H. Vance
