We have heard from Mr. Beys, & he cannot go to look after our emigrants in N.C. as we have no body else to do it. Mr. Coppinger intends to go there next week.

Prest. Roye is here — in good spirits — with high indications to obtain a loan — to get that "Gun boat" Congress authorised the Gov. to sell to Liberia — & to raise a company to build a road — to Boporo — the Barline country, Musardu & elsewhere. —

Yours truly
