Agent Am Co Lo

82 II A 28

Dear Sir

Yours of some months since came duly to hand wherein you say your letter will go out in Sep. When I sent the money to the Society the agent then promised to write to Liberia asking the agent at Monrovia to convey a message to Mrs Peyton Christian who went to Campbelburg - of her passage money being in your hands he I presume forgot to do this

As I do not know how to address a letter will you do me the kindness to write your agent at Monrovia to make an effort to give her the desired information so she may get back - She is one of a party of some 30 who left here some two or three years since

Your attention will oblige - Inclose what will I presume pay post

Yours truly
Camillus Christian

All of her party went to Campbelburg I think.
I think she left here in 1866
