Colonization Rooms,
Washington D.C. 15 Sep. 1870

My Dear Sir . . .

I have a letter this morning from Reverend Priest saying, "I "now make it known to you that we "have decided to return home on the "Society's vessel" &c I have written him that the "Volcenda" would go to Port Exept Monrovia, asking if they would go in her & that I would not ask you to reserve a State room for them until I hear from him again.

He says that the Rev. Henry Hutton (so I read it) in Baltimore told him that he & his family wanted to go out in our ship.
