My Dear Sir

Yours of the 16th came duly & I should have written you but I have been in hopes of seeing you face to face. This morning I am "stirred up" to write by a letter from President Roye to Mr. Coppinger, with a commission to him as "Sec. of Legation". He says "As Hon. "H. M. Schiefelin Charge de Affairs "for Liberia is not well enough to attend "to any business, it was suggested that a "more proper person could not have "been thought of than yourself to be "Sec. of the Legation under him for the "transaction of all international affairs
