My Dear Sir

I have this morning a letter from Mrs. Freeman saying "I must leave on the Golconda. I shall most thankfully accept the kind of your Society giving me fare for self & children at half price. Please give me timely notice. I would be very sorry to be again left." So I have written her the 1st Nov. "positive", & if she has any freight it must be aboard some days before & she must write to you about it.

I have not heard any thing of Mrs. Savage — nor any Missionaries.

Yours W. McSain over
