Dr James Hall.

My Dear Sir.

You know young Parm. He is to take his Medical Diploma at Dartmouth Medical School in a few days, say 3d Nov.

Will not the Golconda probably be a little late this year so as to give him an opportunity to take passage & could you not make him a place, by consultation with Mr McLain as ship's physician in case? He is short of cash & we have advanced him over $100. to aid him in his Medical course. Consider & write quick home if you please & if you decide favorably write to him

His address is John A. Parm

Hanover. New Hampshire

In haste truly yours

J. B. Pinney.
