I think we understand them sufficiently to put them through to your safety.

I shall draw an order to day against the small balance in your hands (as our Treasury is so empty) to that bill of Maynard Eby & Rose for $120.00, which does not seem to be included in your accounts—

I am very sorry that you are so unwell & can truly say that if you are feeling physically half as badly as I am you ought not to be tormented by any outsiders, so I will stop.— Yours truly
