Colonization Rooms,
Washington D.C. 6 May 1871

My Dear Sir

Yours of the 5th came duly & I wanted to write you at once, I think — but the truth is, I could not do it — I did not know what to say — & I hoped daily that something turn up! And now I have yours of the 5th — and I am sorry that you have been disappointed in not receiving a "response." I might have congratulated you on getting home — but really I felt sorry that you had come in the midst of such weather as this! and you feel so too! I told you not to come till June!
