hence the Vessels are here, & the result of that Sale will be something of a guide as to the Golconda. But we consider it of especial importance to know the result of Poillon's investigations before she is put up at auction.

Excuse our calling your attention to these details, but we consider it for your interest, & as our duty to call your attention to it.

Have you any Auctioneer here whom you prefer. If the Selection should be left to us, we should employ Burdett Dennis & Co. as we are acquainted with them

Yours truly
Peabody Willis & Co.
