Not on M P. St Ry till to day.
When Capt Brown, [illegible] again
from the St Johns parties, with
reference to her. The clerks who
were in didn't know but that
she was sold, in fact were know-
Nothings, but would send me
an order &c. How much of an
examination would you allow?
Brown would like to have them
very, very much, and would like
to examine timbers in bottom
only - or can he only see her
as she lays &c -
