Dear Sir

I beg to enclose several communications received this morning from Mr John W. Good of Cape Palmas, Liberia, now sojourning at Savannah, Georgia. After reading them, please return them to this office.

I wish we could send the people referred to by Mr Good – for their own sakes and to strengthen Cape Palmas. The latter greatly needs fresh population. But with some 3000 applicants ahead of them, there is no probability of our being able to do anything for them the present or it may be next year.

Will your Society make a special case of this party, or help us to settle a Company at Cape Palmas in November next? First class people would go: all Liberia needs strengthening: how shall the work be carried on?

Very respectfully Yours,
Wm Coppinger

Dr Samuel Hall
Baltimore.
