N. York. April 18th 1857

Dr James Hall.

My Dear Sir

A hearty welcome home. What did you do to get the M. C. Stevens along so fast. Not one word from or about our dear friend Kate since she left America.

As soon as business permits I must see you. Will you be in N.Y.? I at once demand a speech at our Anniversary May 12th. Hear, hear.

Who are all your passengers — Was the heavy loss at C. Palmas from drowning or a regular fight. Thank you for all your good intentions in our behalf, I wish the debtors in Africa would make up.

We send love to all

Truly Your

J. B. Penney
