Col. Rooms,
Wash. 28 April 1857

My Dear Sir

I did not mention in my letter yesterday, at what ports the Ship must stop this voyage — I am now able to say she must land about 110 Emgts. at Cape Mount — about 45 at Monrovia — 15 at Cape Palmas — & the Bonsos and the remainder of Emgts. at Linoon.

I rec'd. this morning a letter in an envelope, on which I was too sorry to see that Jim an "Sick — sick" I wish you would get well!

Yours most truly
C. McLain
