THE BRANDRETH PILLS.

As a general family medicine, especially in a country so subject to sudden changes of temperature as this, their value is incalculable. By having the Brandreth Pills always on hand, should a sudden attack of sickness take place, they can be given at once, and will often have effected a cure before the physician could have arrived.

In all cases of indigestion, Worms, Asthma, Disease of the Heart, and in all affections of the stomach and bowels, the Brandreth Pills will be found a never failing remedy.

Ladies should use Brandreth's Pills frequently. They will ensure them from severe sickness of the stomach, and generally speaking, entirely prevent it.

There is no medicine so safe as this—it is more easy than castor oil, and is now generally used by numerous ladies through their confinement.

Every man will be born to day of bliss, compared to what has hitherto been his lot, weighed down as he has been by disease, infirmities and suffering.

LETTER FROM ARNOLD BUFFUM, THE PHILANTHROPIST. CINCINNATI, Ohio, April 15, 1843.

DR. BRANDRETH: In the course of my life I have suffered often and much from sickness; I think I have been under the care of twenty different physicians, for the care of twenty different ailments.

Having been much occupied in the travelling and public speaking, I have frequently taken severe cold, which before I used these pills resulted in soreness of the throat and chest, and a severe cough.

Once during last winter, while travelling on horseback, and subject to much exposure, I was suddenly seized with a very sore throat, high fever, and entire prostration of strength and spirits.

By the use of cold water, a copious perspiration was kept up, and in 42 hours one of the most severe attacks I ever experienced gave way, and in two days more I was able to pursue my journey.

Be careful of counterfeit Pills. How to avoid them. No. 1 SECURITY. Each Agent who sells the genuine Brandreth Pills has a CERTIFICATE OF AGENCY, which has been engraved at a vast expense.
