Private & for you alone.

Now in relation to Dr De Lyon. I want you to cooperate with me & enforce my advice.

He is indebted to our Society about $500. He has anticipated one half his year's salary from the Episcopal Church, in order to pay for his board while attending the Hospitals in this city since last November. The Episcopal Mission have given him $100 as an out fit &c & yet he is quite out of money. When his Mother was in N.Y. a year ago he made a promise to pay for her board. Well just as he was to leave for Baltimore yesterday, he was debarked & came to me. We cant afford to pay all such promises & I have for his good made this proposal. The passage in the Cabin is $100. This sum the Episcopal Church will allow you, now I will advance you $31. to pay the board bill of your Mother if you will save it by taking passage in the Steerage. He has agreed to the proposition. I am to receive the $100 — from the Miss. Society. I have let him have $31. I will pay Mr McLain or yourself for his passage in the steerage & send you $29. for him to take in cash when he embarks, unless you think he had better use it for a Mattress &c &c.
