Drs James Hall

My Dear Sir

I sent by Adams Express Company, on last Wednesday, a goodly sized box directed to President Benson. To day, I have forwarded a small parcel of papers and letters for the U. S. Squadron and the Liberian Settlements. Dr Jayne also sent to-day a box of Medicines to Perry Walker, an emigrant to Africa from this City by the present trip of the "Stevens". Each of these boxes and the package were sent by Adams Express Co, were directed to your care, and the freight to Baltimore prepaid. Have the goodness to despatch them by the "M. C. Stevens" on her present voyage; and should there be any expense incurred on either or for all, please advise me and I will remit promptly the amount.

I enclose a note for the aforesaid Perry Walker - which I would thank you to have delivered him at once - "or sooner - if possible".

Yours very respt ly & gratefully,
Wm Coppinger
