THE BRANDRETH PILLS,

As a general family medicine, especially in a country so subject to sudden changes of temperature as this, their value is incalculable.

In all cases of indigestion, Worms, Asthma, Disease of the Heart, and in all affections of the stomach and bowels the Brandreth Pills will be found a never failing remedy.

To insure the full benefit of these celebrated Pills, they should be kept in the house, so that, upon the first commencement of sickness, they may be at once resorted to.

Ladies should use Brandreth's Pills frequently. They will ensure them from severe sickness of the stomach, and generally speaking, entirely prevent it.

There is no medicine so safe as this—it is more so than castor oil, and is now generally used by numerous ladies through their confinement.

Man will be born to day of bliss, compared to what he hitherto been his lot, weighed down as he has been by disease, infirmities and suffering.

Man will be born to day of bliss, compared to what he hitherto been his lot, weighed down as he has been by disease, infirmities and suffering.

DR. BRANDRETH: In the course of my life I have suffered often and much from sickness; I think I have been, for weeks at a time, by twenty different physicians...

Having been much occupied in travelling and public speaking, I have frequently taken severe cold, which before I used these pills resulted in soreness of the throat and chest, and a severe cough...

Once during last winter, while travelling on horseback, and subject to much exposure, I was suddenly seized with a very sore throat, high fever, and entire prostration of strength and spirit.

Dear Sir—The Pills, that I purchased of you last April, have sold far better than I anticipated.
