### CHANCERY SALE.

BY virtue of a Decree of the High Court of Chancery I will offer at public sale on **WEDNESDAY the 22nd day of MAY** next, at Corner's Store in the Neck district, between the hours of 11 & 2 o'clock, all the interest of James & Levin Frazier in all that tract of land, containing 20 acres, more or less, in Dorchester county, deceased, died seized and possessed, called "Joseph's Wright," lying and being within about 2 miles of Beekwith's meeting house, and adjoining the land of Perry North and others, on the little Choptank river, and containing eight acres more or less.  
A part of it, say one half, is covered with a very superior quality of timber, and the other land is also of very good description.  
The dwelling house and improvements are in a very good condition. The situation is pleasant and eligible, on account of its proximity to navigable water, not to speak of luxuries of fish, oysters, &c.  
The interest of James and Levin Frazier which will be sold is a remainder interest, dependent upon the life estate of the widow of Levin Frazier deceased—in other words, the purchaser will have all the interest in the property except the life estate of the said widow. She at this time about 80 years of age.  
The conditions of the sale as prescribed by the Decree, are one fourth of the purchase money cash, and the balance in equal payments of 12 & 18 months, to be secured by bond and security approved by the Trustee. On payment of the entire purchase money a good deed will be given, conveying a clear and indisputable title.  
SAMUEL D. LECOMTE,  
April 27, 1844 Trustee.

### TRUSTEE'S SALE OF VERY VALUABLE PROPERTY.

BY virtue of a Decree of the High Court of Chancery I will offer at public sale, to the highest bidder at Tobacco-stick, on **Saturday the 20th of April** next, at the hour of 2 P. M., all the Real Estate of which John Brohawn died seized and possessed consisting of the following tracts and parcels of land, to-wit:—"David's Chance" one acre more or less, "Lakes Discovery" 21 acres, "North Division" 17 3/4 acres, "Partnership tract" 231 acres, "Composition" 236 acres, "Pleasant Grove Regulated and Pattison's Privilege" 60 acres, "North Adventure" 136 1/2 acres, "Beaver Dam" 17 3/4 acres, and any other lands of which the said John Brohawn died seized. This property is highly valuable and well situated; some of the above tracts are covered with an excellent growth of timber and wood. The plantation whereon the said John Brohawn resided in his lifetime, is a most delightful and healthy residence, situated immediately on the Choptank river, and at the mouth of Slaughter creek, and has all the advantages of such a location; fish, oysters, wild fowl, in the greatest abundance. The proximity of the farm to the water, affords every opportunity for the highest state of improvement from the great quantity of shells, that may be obtained with little expense. The improvements on the farm are excellent and rarely exceeded. Indeed the establishment, taken altogether is a most desirable one, and any gentleman desirous of a residence on salt-water, will find that this combines many essentials to comfort and luxury, as can well be obtained. There are other farms embraced by the above tracts, very convenient to navigation and in which profitable investments may be made. The wood and timber also on other tracts afford an opportunity for speculation. Persons are invited to go and examine the property, with a view to purchase, and the purpose of disposition amongst the parties entitled, and clear of the widow's right of dower.  
The terms of sale are one fourth cash on the day of sale and the residue on a credit of 6 12 18 & 24 months, with interest from the day of sale to be secured by bond, with security to be approved by the trustee.  
JAMES A. STEWART,  
March 23, 1844 Trustee.

### FARMERS' PROGRESS

### FOUNDRIE.

THE Subscribers grateful for the patronage heretofore bestowed, beg leave respectfully to inform their friends and the public generally, that they now have on hand and are daily manufacturing the most approved  
**WHEAT MACHINES,** ever offered to the public on this Shore. Their superiority over other machines consists in simplicity and strength, which will enable us to warrant them with perfect safety. Notwithstanding there are numerous Machines used in this country, it is a well known fact, that they are too liable to become injured and broken from friction, near the first premium at the Agricultural Exhibition, near Govanstown, Baltimore county, Md., over numerous competitors, comprising some of the most celebrated Ploughs of Pennsylvania, New York and Maryland. All our Ploughs are stocked of the best timber, and warranted to run well. We are also prepared to do  
THEY would also call the attention of the public to their extensive assortment of  
**PLOUGHS,**  
Plough Castings—Mill Castings, &c.  
Their assortment of Ploughs embraces a great variety, viz:  
WILSON'S Self Sharpening, DEACH Improved,  
DAVIS, BERNARD,  
SINGLARE & MOORE, COLLETTER,  
CHEWNOTH, WILEY,  
BRANCH, Patent Cycloidal Plough,  
The merits of most of the above Ploughs are already well known; but the Wiley and Patent Cycloidal have been recently introduced by us on this Shore as a valuable acquisition to the Farmer. The Patent Cycloidal, in 1842, took the first premium at the Agricultural Exhibition, near Govanstown, Baltimore county, Md., over numerous competitors, comprising some of the most celebrated Ploughs of Pennsylvania, New York and Maryland. All our Ploughs are stocked of the best timber, and warranted to run well. We are also prepared to do  
**CASTING & WROUGHT WORK**  
of every description at the shortest notice, and at city prices. We respectfully solicit the patronage of our stock public and invite them to an examination of our stock.  
HUSSEY & HOPKINS,  
N. B.—Persons having machines to repair will please bring them in as early in the spring as possible, so as to give full time to do the work in a proper manner.

### Notice.

THE late Sheriff & Collector, John H. Hodson, Esq., having transferred to my books all the accounts due him in Cambridge District, I hereby give notice that I shall proceed without delay to close up his business in said district. All those indebted to him for officers fees, county charges, or direct taxes, having frequently been requested to settle the same, are now informed that the time for all indulgence is past and any further notice will find themselves very disagreeably situated. It is very unpleasant to the Sheriff as his long forbearance has shown, but self preservation is the first law of nature. So I tell you tax-payers, look out for yourselves.

### HANCE'S SARSAPARILLA, VEGETABLE OR BLOOD PILLS,

for the promotion of Health and the purification of the Blood.  
WHAT IS LIFE—THE BLOOD.  
When the blood becomes impure or imperfectly circulated, it gives rise to the following diseases.

### LIVER COMPLAINT.

When the blood (in an impure state) is traversing the body deposits its impurities on the liver, it gives rise to liver complaint, the principal symptoms of which are a bilious hue of the skin—with dull, heavy, and wandering pains about the right side, shoulder & back; by a loss of appetite, indigestion, occasional fevers, difficulty of breathing, extreme debility, and many times with a cough, resembling consumption. This disease has long been amongst the most uncertain objects of medical skill, and being nearly allied to pulmonary consumption, is very difficult of cure; owing also to the uncertainty which attends the use of medicines in this disease, it is generally allowed to take its own course unmedicated. A few boxes of

### HANCE'S SARSAPARILLA PILLS,

when taken to purify the blood and purge away the impurities, will in all cases give immediate relief.

### CUTANEOUS DISEASES.

By the term is meant diseases of the skin, which always arise from some derangement of the blood, thereby causing eruptions, pimples, blotches, and excessive heat of the skin, accompanied by a violent itching of the skin.

### HANCE'S SARSAPARILLA PILLS,

will in all cases effect a radical cure.

### DIMNESS OF VISION OR SIGHT

Is occasioned by the impurities existing in the blood becoming deposited around the eyeballs.

### HEADACH AND SINGING OF THE HEAD.

These diseases are caused by impure depositions of the blood settling on the brain.

### HANCE'S SARSAPARILLA PILLS

will in all cases effect a radical cure.

### LAND FOR SALE.

THE subscriber will sell at private sale that tract of land called "Bachelor's Forest," purchased by Camillus Kidder from the heirs of Lot Warfield. The above land lies in Vienna district, and joins Thomas Hodson's land on one side and Alexander Sherman's on the other, fronting on the road from Vienna to New Market, being covered or nearly so with white and red oak timber.  
The low price at which it will be disposed of, (it is believed,) offers a safe investment to any person who is desirous of investing money in lands. The terms of payment will be liberal to a responsible purchaser, and the present owners will not object to taking a bay vessel in payment. Apply to Camillus Kidder, No. 88 Bowly's wharf Baltimore, or to  
CHARLES L. CHAPLAIN,  
Cambridge.  
Feb. 24, 1844.

### COLLECTOR'S NOTICE.

I hereby notify all whom it may concern, that after the first day of January 1844, interest will be charged upon all accounts of county charge, direct tax, or officer's fees due for the year 1843. Persons having money by them would save the interest by promptly paying their accounts. I have heretofore urged upon the people the propriety and even necessity of an early settlement of their taxes. Upon this subject I have no discretion. The law has prescribed the days that I must settle with the Treasurer of Maryland, and if I fail to comply with the terms of the law, my bond may be put in suit. I regret very much that I have been disappointed in the effects of the different appeals I have made to the people upon this subject, and hope that they will no longer delay in calling promptly upon me, & settling their taxes. Such a course would afford me great satisfaction, and prevent a deal of trouble both to themselves & to me. Fear a delay in mind that the taxes must be paid, and that if they are not paid voluntarily, the strong arm of the law will have to coerce payment.  
WM. B. DAIL, Collector.  
Dec. 16, 1843.

### HANCE'S SARSAPARILLA, VEGETABLE OR BLOOD PILLS,

FOR PURIFYING THE BLOOD, removing bile, correcting disorders of the stomach and bowels, costiveness, dyspepsia, swimming in the head, &c. Persons of a full habit who are subject to **HEADACHE, GIDDINESS, DROWZINESS, AND SINGING IN THE EARS,** arising from too great a flow of blood to the head, should never be without them, as many dangerous symptoms will be entirely carried off by their immediate use.  
As a pleasant, safe, easy aperient, they unite the recommendation of a mild operation with the most successful effect, and require no restraint of diet or confinement during their use. By regulating the dose according to the age and strength of the patient, they become suitable for every case, in children, that can be required; and for elderly people, they will be found to be the most comfortable medicine hitherto prepared.
